### **“Live, Remote Sports in Virtual Reality”**

Presentation and Tour/Demo of the NEP Cobalt VR Mobile Production Unit

*This month’s SMPTE-Pittsburgh event will feature Rusty West, who is the Senior Coordinating producer at Intel Sports. His presentation will give an overview of the partnerships involved and how live sports is produced in Virtual Reality. He will then give a walkthrough of the Cobalt unit and how it was modified for live VR. This will be followed by tours of the actual production unit, parked at the NEP facility.*
